

Arable Farm Operator – Arden Farms

Arden Farms is a progressive arable and venison business growing combinable and root crops north of Lincoln. We are seeking an enthusiastic person to join our team. This key role will initially centre on cultivations, relief spraying and livestock support for the deer enterprise; however further responsibilities will develop. The role is ideally suited to gain a broad knowledge of arable operations and develop livestock experience.

Applicants should be enthusiastic, hardworking, and able to take responsibility. Good mechanical experience, technical competence and PA1 & 2 qualifications are essential.

A competitive salary will be offered to reflect ability and experience with further opportunities for training. A house may be available if required.

Applications in writing with full employment history to jobs@ardenfarms.co.uk or Paul Arden, Owmbly Cliff Offices, Owmbly-by-Spital, Market Rasen, LN8 2AD.

Closing date 10th May 2019.
